ally does a neat thing for his own amusement, very much to the surprise of those who happen to be present. Recently while passing a colored vend-er of provisions, Mr. Heller suddenly

eggs, auntie?" "Dem eggs," was the response : am worth a picayune apeace; fresh, too de last one of 'em; biled 'em myself, and know dey's fust rate." "Well, I'll try one," said the magician, laying down a bit of fractional currency.

Leisurely drawing out a little penknife Mr. Heller proceeded very quietly to cut the egg exactly in half, when suddenly a bright new twenty-five cent piece was dis-

the mint. Very cooly the great magician transferred the coin to his pocket, and taking up another egg, inquired, "and how nuch de you ask for this egg?" "De fact am, boss, dis egg am worth a dime. shuah." "All right," was the response; "here's the dime. Now give me the egg." Separating it with an exact precision that the colored lady watched eagerly, a when he sold a bill of goods on credit, to

"Very good," said Heller, whose fea- serve.

BY GEO. D. PRENTICE.

Beautiful girl! I have wandered far

Beautiful girl! though art bright and fair As an angel shape in the moonlight air; No shadow rests on thy brow of snow,

virgia snow, So sweetly blending in one bright dye, Truth, holy truth, in its freshness dwells,

And thy thoughts are a dream of Eden's bowers,
And thy words are garlands of flowers,
bright flowers!

Beautiful girl! I've seen thee move, A floating creature of joy and love, As light as a mist on the suorise gale, Or the buoyant sway of the bridal veil, Till I almost looked to see thee rise Like a soaring thought to the free blu

Thy low, sweet voice, as it thrills around Seems less a sound than a dream of sound; Softly and mildly its clear notes swell, Like the spirit-tones of a silver bell, And the lip whence the fairy music flow Is to fancy's eye like a speaking rose. Beautiful, beautiful girl thou art

On the clouds of being, beautiful one!

Since thy voice fell on my ravished car, 'Tis a long, long year of light and gloom Since I gazed on thy young cheek's lovely Yet thy gentle tones of music still

lake,
Filling its depths as the shadows flee,
With beauty and love and melody.

Beautiful girl! thou art far away, And I know not where thy steps no Thy cheek of rose, thy brow of pearl, And thy voice of music, beautiful girl!

Benefits of Sunshine. " Seclusion from sunshine is one of the misfortunes of our civilized life. The same cause which makes the potato vines white and silky, when grown in the dark dellars, operates to produce the pale sickly girls that are reared in our parlors,-Expose either to the rays of the sun, and they begin to show color, health, and

One of the ablest lawyers in our country, a victim of long and hard brain labor, came to me a year ago suffering from partial paralysis. The right leg and hip were reduced in size, with constant pain in the loins. He was obliged in coming up stairs to lift up the left foot first, dragging the right foot after it. Pale, feeble, miserable, he told me he had been failing for several years, and closed with "My work is done. At sixty I find myself

I directed him to lie down under a large window and allow the sun to shine on every part of his body; at first ten minutes a day, increasing the time until he could expose himself to the direct rays of the sun for a full hour. His habits of the sun for a full hour. His habits be sold, how he loved her dearly, and how were not essentially altered in any other he lacked still a hundred dollars to buy particular. In six months he came running up stairs like a vigorous man of for-

ty. and declared, with sparkling eyes, "I have twenty years more of work in me."

I have assisted many dyspeptic, neu-I have assisted many dyspeptic, neu-twenty—thirty," he couralgic, rheumatic, and hypochondriacal then he handed William a punc people into health by the sun cure. I ars. ave so many facts illustrating the wonderful power of the sun's direct rays in Judge Stewart's.

enring certain classes of invalids, that I "Here, Master John." said have seriously thought of publishing a his eyes all aglow with joy, "he work to be denominated the "Sun Cure." thousand dollars—now I want -Home and Health,
